

TherOx Privacy Policy

— Please read this Privacy Policy before using the TherOx website or submitting personal information.—

TherOx, Inc. (“TherOx”) takes your privacy seriously and is committed to protecting your rights. The following policy, outlined below, explains our information practices on the collection, use and storage of information on our website. We collect, use, disclose and otherwise process Personal Data that is necessary for the purposes identified in this privacy policy or as permitted by law, including the European General Data Protection Regulation (GDPR).

This Privacy Policy does not apply to personal information collected from third-party websites to which this website may link. Only the TherOx website (www.therox.com) is subject to this Privacy Policy and the Terms of Use.

Information Collection and Use

Personal information refers to information that identifies you or could reasonably be used to identify you and which is submitted to and/or collected by the TherOx website. Examples of personal information include your name, your mailing address, your e-mail address or your phone number.

Cookies

A “cookie” is a file that our webserver may send to your computer when you access the TherOx website. This file is then stored on your computer. After you have entered personal information into a form or data field, TherOx may use cookies to allow the website to “remember” your personal preferences, such as sections of that website that you visit. In browsing the TherOx website you are agreeing to our use of cookies.

Service Providers

We may employ third-party companies and individuals due to the following reasons:

- To manage, facilitate or improve our website;
- To perform website-related services; or
- To assist us in analyzing how our website is used.

We want to inform our Service users that these third parties have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

You have the option of limiting the amount and type of personal information that TherOx receives about you by choosing not to enter any personal information into website's data fields. TherOx will not sell or license your personal information to third parties.

TherOx may share your personal information with third parties with whom TherOx is jointly conducting a program or activity. We will notify you if you are registering for a program which is conducted in conjunction with another company that may require access to your personal information.

TherOx may also share your personal information with vendors with whom we contract to carry out business activities. If we provide your personal information to vendors to assist us with our business activities, it is our practice to require those vendors to keep your personal information confidential and to use your personal information only to perform functions for TherOx.

TherOx reserves the right to disclose your personal information to respond to authorized information requests from government authorities or when otherwise required by law.

Links to Other Sites

Our website may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by us. Therefore, we strongly advise you to review the Privacy Policy of these websites. We have no control over, and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Children's Privacy

We do not knowingly collect personal identifiable information from children under 13. In the case we discover that a child under 13 has provided us with personal information, we immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us at info@therox.com so that we will be able to do necessary actions.

Changes to This Privacy Policy

Without prejudice to your rights under applicable law, TherOx reserves the right to amend this Privacy Policy without prior notice to reflect technological advancements, legal and regulatory changes and good business practices.

We advise you to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately, after they are posted on this page.
